The Oklahoma volleyball team continues their mission to honor the son of their head coach, Santiago Restrepo. When he was just one-and-a-half years old, Javier Restrepo was diagnosed with Acute Lymphoblastic Leukemia (ALL). In August 2008, he had a relapse and received a bone marrow transplant and then received a liver transplant but unfortunately relapsed again. Javi fought the disease like a true champion, nearly beating it on multiple occasions before it ultimately claimed his life on July 31, 2009.

Entering his seventh season as the head coach at the University of Oklahoma, Santiago Restrepo has brought the program to new heights. Pairing his international recruiting with his hard-working, blue collar coaching style, Restrepo has made a name for Oklahoma within the volleyball community.

The program felt Restrepo's impact as soon as he arrived on campus from his previous coaching stop at Southern Mississippi. In his first season at the helm of the Sooner program, he led the 2004 OU squad to a 12-17 record. No Sooner squad had produced a better record since the 1997 squad that reached the NCAA Tournament.

While the 2004 season caught many people's eye, nobody would predict what would happen two years later as Restrepo led the Sooners to the best season in school history. The 2006 season broke plenty of OU records and sparked momentum for the 2007 season.

In 2005, Restrepo was placing the elements for the historic next year as his recruiting skills shined with the addition of juco transfer Santos. In her junior season, Santos made her mark on Big 12 volleyball, finishing in the top five in the conference in blocks and kills and was named one of Collegiate Volleyball Update's top-five blockers in the country.

Restrepo earned Big 12 and Regional Coach of the Year honors and was recognized by CVU.com as its National Coach of the Year as he led the Sooners to the best one-year turnaround in Big 12 history. Behind Restrepo's leadership, the Sooners recorded the best winning percentage in school history with a 28-6 record (.824) and finished a program-best second in the Big 12 Conference race (17-3).

Restrepo's successful 2006 season included OU's first-ever win over Texas in the series history as well as entry into the 2006 NCAA Tournament for only the fourth time in school history and the program's second Sweet 16 trip. Oklahoma finished the season as one of the best in the country with a No. 12 final ranking, its highest in history.

The Oklahoma players also felt the presence of Restrepo, individually, as all five seniors of the 2006 class earned All-Big 12 recognition while Joanna Schmitt and Eliane Santos became the second and third All-Americans in school history.

OU did not disappoint in 2007, either. After being picked ninth in the preseason coaches' poll, the Sooners advanced to the NCAA Tournament for the second consecutive season. It also marked the second time in OU history that the Sooners made back-to-back appearances in the NCAA Tournament.

Senior outside hitter Sarah Weiland represented OU on the All-Big 12 honorable mention team, while freshman Francie Ekwerekwu was named to the All-Big 12 freshman team. For their efforts in the classroom, five Sooners earned Academic All-Big 12 honors and three were named Academic All-District.

In 2008, he coached Brianne Barker and Caitlin Higgins to All-Big 12 Freshman team honors. Higgins became the first Oklahoma player to earn the Sports Imports/American Volleyball Coaches Association Division I National Player of the Week on Nov. 4.

After losing his youngest son to leukemia prior to the start of the 2009 season, Restrepo returned to lead his team back to the NCAA Championship for a third time in the last four years. The Sooners finished fourth in the Big 12 with an overall mark of 18-12 and 11-9 in league play. Sophomore Suzy Boulavsky was named to AVCA All-Central Region honorable mention. Barker and Ekwerekwu were named honorable mention All-Big 12.

The 2010 Sooners made the NCAA Tournament, marking the fourth time in the last five years OU has advanced to the postseason.

Oklahoma was awarded its first-ever first and second round host site. The season was highlighted with a 21-10 overall mark and third-place finish in conference play at 13-7. Freshman Sallie McLaurin became the first Oklahoma player to be named Big 12 Freshman of the Year and was the fifth named to the all-freshman team. Barker and Boulavsky were also named to the All-Big 12 first team. Boulavsky also became the program's first Academic All-American after being named to the ESPN/College Sports Information Directors of America third team.

Restrepo was named the fourth head coach in OU volleyball history on January 26, 2004. During the search process, OU Athletics Director Joe Castiglione was set on making a program-changing hire that fit perfectly into the values of the university.

A former NCAA Division I All-American at East Stroudsburg, Restrepo was also a four-time all-conference selection. He earned team Most Valuable Player honors all four years and was the co-winner of the Senior Athlete Award in 1986. He was inducted into the East Stroudsburg Hall of Fame in 2004.

Following his collegiate career, Restrepo played one season professionally in France and returned to the United States where he played on the American Volleyball Players Pro Beach Tour.

He earned a 3A player rating on the AVP tour and had the opportunity to play against some of the giants of professional beach volleyball, including Karch Kiraly, Sinjin Smith, Randy Stoklos and Kent Steffes.

Highly involved in the international circuit and USA Volleyball, Restrepo served as co-head coach of one of two USA Volleyball under-22 select teams that toured Argentina in June 2005 and 2006.

Restrepo and his wife, the former Heidi Nichols, have two sons, Diego Ignacio and Javier Santiago.

Restrepo's youngest son, Javier Santiago, passed away from leukemia in July 2009 at the age of four. To find out what you can do to help promote childhood cancer awareness, visit The Children's Hospital at OU Medical Center.
